25th Anniversary Regatta

Lake Killamperpunna - Cooper Creek

V9 250918

Etadunna Station

29 September – 6 October 2025

ABOUT:

The Lake Eyre Yacht Club's 25th Anniversary Regatta is an 8-day event in total with 6 nights at regatta site and 1 night before and after at the Clubhouse or elsewhere at Marree. Dates have been chosen in the overlap of each State's September/October school holidays. The Regatta Camp is located on the southern shore of Lake Killamperpunna situated between the Birdsville Punt and the Birdsville Track. Two-wheel drive access should be available providing the Birdsville Track from Marree to Etadunna has no restrictions. The event is for Lake Eyre Yacht Club members, families and friends only. We extend reciprocal rights to members of other boating clubs. You may join the Club as a "Gunna" prior to the event – details on our web site's Membership page.

WHERE?

Lake Eyre Yacht Club, Marree

All participants meet for a briefing the evening before departing to Regatta Camp the following morning.

Etadunna Pastoral Lease

The Regatta Camp faces NW on the southern shore of Killamperpunna with a low hill providing some shelter from southerly winds. Sunset views over the Lake and the opposite bluff can be dramatic. The lake has ample room for a traditional race triangular course and areas for adventure such as around the Birdsville Punt and the Birdsville Track where the second Birdsville Track Race will be held.

Presentation Night – Marree Hotel – publicans Brenton & Jacquie, Manager Simon

Participants break camp and return to Marree and the Marree Hotel for the Presentation Night bringing the event to a close on the evening of 6 October.

GETTING THERE

The Birdsville Track should be open Mungerannie to Birdsville following the Diamantina flood. The Strzelecki Track should also be open by then but check road conditions and plan your trip before leaving. The Regatta Camp is a few hours comfortable drive up the Birdsville Track from Marree (135km).

EVENTS

In keeping with the Club's fun approach to yachting in the outback events will be laid back and not run under strict racing rules with emphasis on enjoying the rare privilege of sailing in the desert. We are family/children/pet friendly and do not tolerate anti-social behaviour. Pets to be always kept under control.

AND MORE...

The area is rich in history and has several locations of heritage significance:

- The area is the traditional country of the Dieri and is on one of Australia's major indigenous trade routes that extended from the Gulf of Carpentaria to the Flinders Ranges and beyond.
- The iconic Birdsville Track and its pastoralists, drovers and mailmen.

To appreciate the historical significance and to maximise the personal experience of a visit to this area it is recommended that all participants read (or view) the following:

- *Land of Mirage* George Farwell
- *Back of Beyond* (DVD) Hellyer
- *Where Seasons Come and Go* Eric Bonython ISBN 0 958 9388 0 6 (available at Marree General Store)

Ask your local librarian for help to borrow the books. They are also often found in second-hand bookshops.

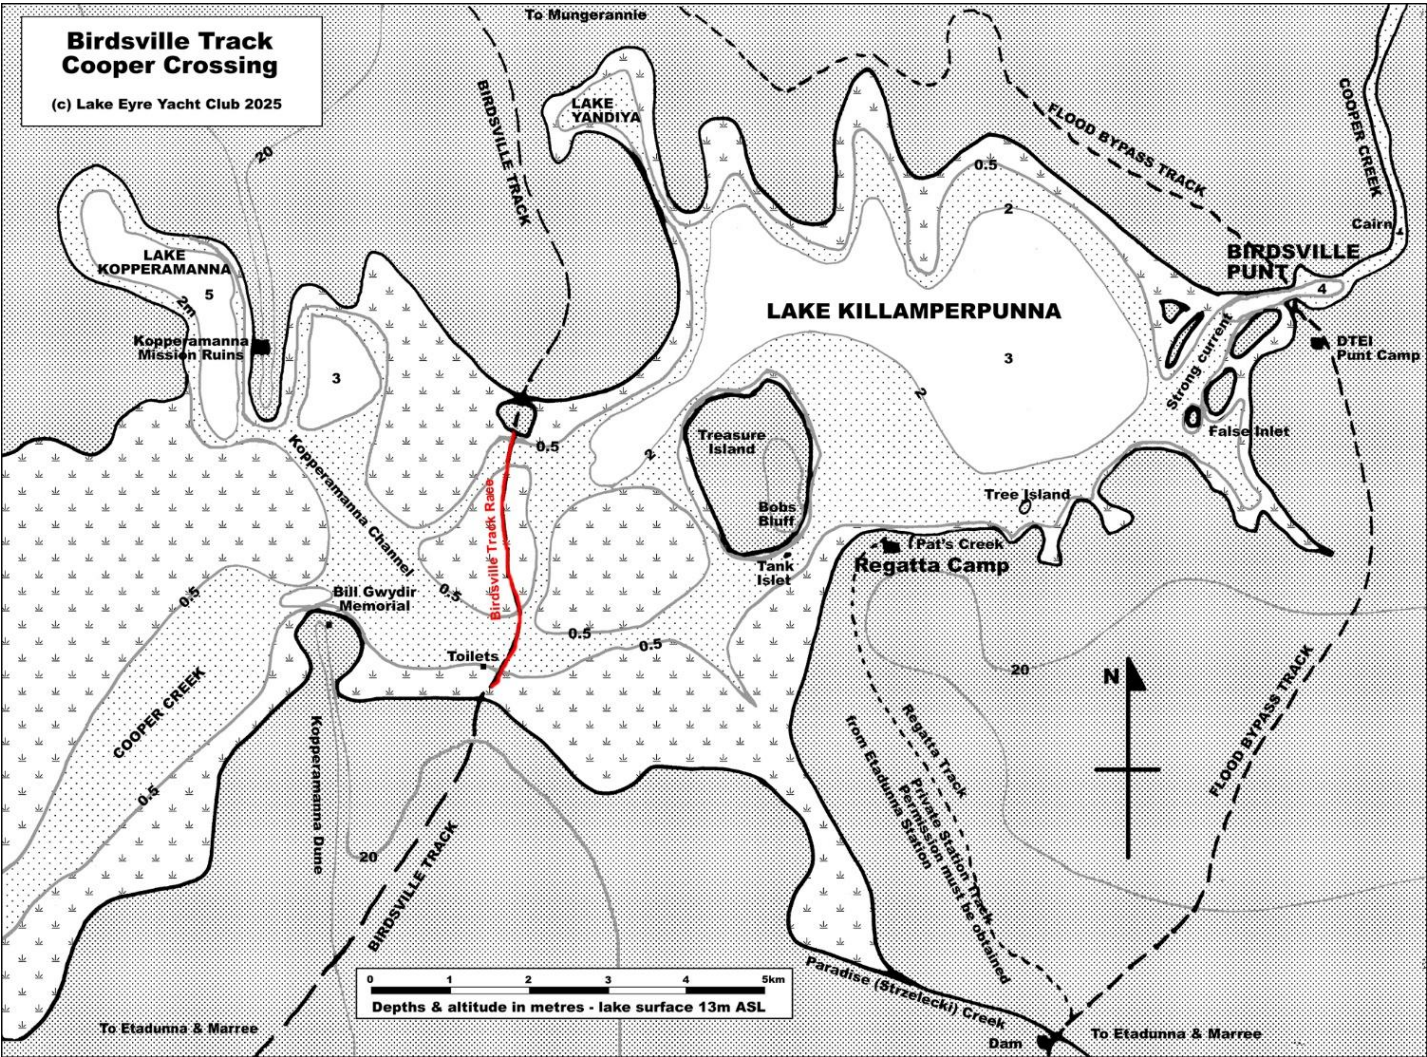

MAKE A HOLIDAY OF IT

There is much to see and do in the wider area of NE South Australia either from a touring or boating perspective. Participants can be provided with information on request on how to make a complete holiday based on our event.
